AALIYAH'S BEACH TRIP

Fill words below in the blanks to finish the paragraph.

Harmful Algal Blooms
Red Tide Environment

Today Aaliyah went to the beach. She was excited to spend the day there and build sandcastles. However, when she reached the beach, something felt off. As she walked closer to the beach, she saw a sign. It said, "Caution _____ Present". Because of the _____ in her area, she had to leave. Aaliyah goes home and decides to learn more about the Red Tide. She learns that they are bad for the _____. Aaliyah decides that she is going to try to save water and pollute less so that Red Tide doesn't happen.
